

**A** CAPABLE mother must be a healthy mother. The experience of maternity should not be approached without careful physical preparation. Correct and practical counsel is what the expectant and would-be mother needs and this counsel she can secure without cost by writing to Mrs. Pinkham at Lynn, Mass.

# **CAPABLE MOTHERHOOD**

MRS. CORA GILSON, Yates, Manistee Co., Mich., writes:

"DEAR MRS. PINKHAM—Two years ago I began having such dull, heavy, dragging pains in my back, menses were profuse and painful and was troubled with leucorrhoea. I took patent medicines

and consulted a physician, but received no benefit and could not become pregnant.

"Seeing one of your books, I wrote to you telling you my troubles and asking for advice. You answered my letter promptly and I followed the directions faithfully, and derived so much benefit that I cannot praise Lydia E. Pinkham's Vegetable Compound enough. I now find myself pregnant and have begun its use again. I cannot praise it enough."

MRS. PERLEY MOULTON, Thetford, Vt., writes:

"DEAR MRS. PINKHAM—I think Lydia E. Pinkham's Vegetable Compound is an excellent medicine. I took several bottles of it before the birth of my baby and got along nicely. I had no after-pains and am now strong and enjoying good health. Baby is also fat and healthy."

MRS. CHAS. GERBIN, 304 South Monroe St., Baltimore, Md., writes: "DEAR MRS. PINKHAM—Before taking Lydia E. Pinkham's Vegetable Compound I was unable to become pregnant; but since I have used it my health is much improved, and I have a big baby boy, the joy and pride of our home."

Last Saturday was the forty-seventh anniversary of the running of the first train on the Chicago & Alton railroad through Alton. Yesterday the fact was commented on in a reminiscent mood by William Huskinson and George Cotter, both old residents of the Bluff City. Mr. Huskinson assisted in the construction of the Alton road-bed, and for years afterwards was connected with the company. Mr. Huskinson of late years has superintended the construction and grading of numerous streets in Alton. —Slater Rustler.

The Saline County Telephone Company is spending over \$70 a week fitting up the Slater system. As a matter of fact, it has been almost entirely rebuilt. The old wire and poles have been replaced with new and better material and in a short time will be in good working order. Ever since the fire destroyed the office of the old plant there has been considerable difficulty in rendering efficient service. —Slater Rustler.

## **Have Moved**

My place of business has been changed from over Fletcher's to the down stairs room, adjoining the Vendome Hotel, where I will be glad to meet my friends and customers.

Judges King, Hauns and Stouffer, who compose the county court, were in Slater Tuesday. They went from here to New Frankfort to locate a public road, the old one having washed into the river. They also looked at the proposed location of some new bridges south of town. —Slater Rustler.
